Alan Chatman Named one of the Top 10 Local TV Leaders

Gainesville, Florida-September 30,2020 WCJB TV20 congratulates Alan Chatman, VP/GM WCJB TV20, for being named one of the top 10 local TV leaders by Radio and Television Business Report. He's a University of Florida graduate and has been at the ABC affiliate serving Gainesville, since joining as GSM in 1994. In May 2017, Chatman was promoted to VP/GM, while keeping GSM duties. That elevation in rank came as Gray Television completed its acquisition of WCJB TV20 from Diversified Communications. WCJB TV20 in Gainesville is known for being the first local station to have a news department and has been the dominate news leader for almost 50 years. Today, it offers The CW and MeTV on digital multicast channels tied to WCJB TV20.

WCJB TV20 VP and GM Alan Chatman said" "WOW!! I am humbled, honored and thankful to have been selected by my peers as one of the Top Local TV Leaders by RBR+TVBR! I have never been one for personal accolades. For me it has always been about the success of my teammates/employees and the company I represent. I am blessed to have spent my entire 39-year career working in a profession I enjoy and love ... broadcasting!"

WCJB TV20 Creative Services Director Matt Hunter said: "Alan has been a great leader for TV20 and empowers his managers to run their departments. He welcomes our opinions and really makes everyone feel like a part of the team. I believe a big part of his success is his passion for broadcast television and his vision of where television is and where it is going. "

"Alan and I have a great working relationship," said Jon Levy, WCJB TV20 News Director. "And when that's the case with a GM and News Director, it's a positive thing for the whole station."
